

Misr International University Report Times Higher Education Impact Ranking

SDG 1:

No Poverty

1 NO
POVERTY

At Misr International University, our commitment to ending poverty in all its forms is reflected in initiatives that uplift communities, promote equal opportunities, and support students and families through education, outreach, and programs. These efforts contribute to **poverty alleviation** and enhance the **resilience of the poor** through **financial aid** and community **development aid** programs that foster long-term **financial empowerment** and sustainable growth.

1.3.5. Low or Lower-Middle Income Countries Student Support

Misr International University's financial commitment spans all academic disciplines, ensuring talent is supported wherever it emerges. Financial support is granted to students facing a family death or urgent social circumstances to help them successfully complete their university education.

The bar chart below are the **numbers of students from each country who received financial support.**
