Indicator 17.4.1

Education for SDGs: commitment to meaningful education

Reporting period: academic year 2024–2025 (September 2024 – August 2025)

MIU is committed to meaningful education on sustainable development across the university, through university-wide activities on the SDGs that are open to every student and member of staff.

KEY EVIDENCE

MIU 2nd Annual Conference on Sustainable Development, open to all students and staff

Date	5 May 2025
Venue	MIU campus, Cairo
Scope	All MIU students and staff, with contributions from every faculty
SDGs	All 17 SDGs; Egypt Vision 2030

MIU's annual Conference on Sustainable Development is a university-wide educational event on the SDGs. The 2025 edition, "AI for a Sustainable Future: Advancing the UNSDGs", was open to all students and staff, and every faculty contributed papers and sessions.

Topics ranged from AI in pharmaceutical research and sustainability in pharmacy education to AI for language preservation, inclusive education for special-needs learners and social marketing for rural communities, giving students across disciplines direct exposure to how their fields contribute to the Goals.

Outcome: A university-wide, cross-disciplinary learning experience on sustainable development, delivered annually.
